NEWS AND REMINDERS FOR THE TEHACHAPI CHURCH OF CHRIST FAMILY

February 11, 2024

Are we allowed to call today a super Sunday without paying royalties to the NFL? Clearly, God owns the rights to every superlative for every day. So, whether or not you watch the "big game" today with or without a party, celebrate with God all that is super in every day!

Family Life Pregnancy Banquet

There is a table of eight reserved for us at the banquet, so let Bill know if you'd like to be a part of it on Friday, March 15 at 6:00. The speaker is Dr. William Lyle, a renowned pro-life doctor.

Remember in Prayer:

Maxine King, Melissa King Stansbery's mother is on hospice care, and she went to the hospital after she fell this week. Pray for Melissa's sister, who is her primary caregiver.

Ruthie's nephew is doing well after brain surgery. The doctors feel they got almost everything, but chemotherapy and radiation are still planned.

Cheryl's grandson Aiden is suffering heart issues that are most likely related to the chemotherapy he underwent a couple of years ago. He had an appointment with one cardiologist, but will see another cardiologist for further evaluation.

Cindy's 13 year-old granddaughter Hannah has been to Mayo Clinic for further evaluation. Nothing seems perfectly clear, but she is doing alright.

Minnie has been suffering pain from Sciatica, and although her pain has become intermittent rather than constant, pray for complete relief!

Majid Tafighi, Mina's brother-in-law, received good news after one round of radiation for his brain tumor. He is still undergoing Chemo for the cancer in his lungs, however.

Tessa Eaton's parents ask for continued prayers as she will have future surgeries. **Ruthie** seems to be dealing with one issue after another, so keep her in your prayers!

Vickie's sister-in-law, Gaye, is choosing not to undergo chemotherapy again for the cancer in her lungs, but it is now in her liver as well. She is doing pretty well, but she is now in hospice.

Shirley has been placed in hospice. She had a good week last week, so keep praying for more!

Minnie's father is in hospice, but his mind is still very clear.

Randy, Cindy's brother-in-law, continues his battle with cancer.

Pat Stewart has been placed on hospice because her doctor felt that the treatments for her cancer were causing more harm than good. She is feeling much better.

In addition to his near total paralysis, **Kirk Stewart** has painful sores on his head, and now in other places as well. Their cause is unknown.

Karen has two orchestra friends, **Jon** and **Wayne**, who have cancer, and a colleague, **Trish**, who also has cancer,.

Maxine King, Melissa King Stansbery's mother has been put on hospice care.

Galina Gurova, a friend of Melissa, has lymphoma.

Blake Budai, Blair's brother, still lacks mobility. May God work in his body and heart.

Pray for the health of **Bob Rivera**.

Always Remember:

Those in the military, especially **Joseph Budai, Sheri Huckabay's nephew, Jason Adams, and Patty Johnson's grandson, Andrew Thompson**

The children and staff at **Manuelito Navajo Children's Home**

Those serving in other mission fields, including Blair's friend **Sandeep** in India

Pray for the homeless, and pray for **Blair** as he works to minister to them.

Those suffering in Ukraine and Russia. Many have lost loved ones in the fighting.

Those suffering in Israel and Gaza as a result of the terrorist attacks and war.
