NEWS AND REMINDERS FOR THE TEHACHAPI CHURCH OF CHRIST FAMILY

BixMix

What happened on the day that corresponds to this day over 2000 years ago is what brings us together each Sunday and keeps us connected every day. It was not something that anyone--even Jesus' closest friends-- expected. Even though he had told them plainly more than once that this must happen, it is highly unlikely that they even prayed for it to actually come true. No doubt they thought he was in some way speaking in parables when he said it.

They had come to accept that they were just not going to understand everything he said, but they loved the man they knew. He had called them friends and promised that they would somehow carry on his work, but they seem to have thought that it had all come to an end.

He didn't just die-- he died on a cross, his side was pierced, and his blood was spilled on the ground. This was irreversible. Then they heard an unbelievable report! Some believed on the testimony of others, but for at least one, it took a personal appearance.

The good news for us is that Jesus did not refuse to allow for their different needs. He knew that we were each created as unique children. He knew that with our unique hang-ups, we also came with unique things to offer when others would need patience and understanding and tolerance. That is what we celebrate each time we celebrate the Lord's Supper!

What plans might God have for your life?

Jesus personally intervened in the life of Saul on the road to Damascus. Saul had made it his mission to persecute followers of Jesus. A man named Ananias was sent to Saul to tell him that God had very different plans for his life. Ananias said to Saul, "...what are you waiting for, get up, be baptized and wash your sins away, calling on the name of the Lord." (Acts 22:3-16)

If you might be on the wrong path, it would be our privilege to help you discover God's plans for your life! Ask for a personal Bible study on the Welcome Card, or contact Mark Bixler.
