Isn't it ironic that many people avoid church because they don't want to be made to feel guilty, when the Jesus identified forgiveness as his primary purpose!

We are beginning a short series of lessons on the nature of God as seen in Jesus' words and actions as a human being. If we watch and listen to Jesus with open hearts, we will be drawn to God's forgiveness and warmth.

What plans might God have for your life?

Jesus personally intervened in the life of Saul on the road to Damascus. Saul had made it his mission to persecute followers of Jesus. A man named Ananias was sent to Saul to tell him that God had very different plans for his life. Ananias said to Saul, "...what are you waiting for, get up, be baptized and wash your sins away, calling on the name of the Lord." (Acts 22:3-16)

If you might be on the wrong path, it would be our privilege to help you discover God's plans for your life! Ask for a personal Bible study on the Welcome Card, or contact Mark Bixler.
